

Samsung Smart School Citizenship Project e-learning Tips (September, 2014)

Tips on Tablet and Solution Usage:

- 1. Samsung GALAXY Note 10.1**
 - Samsung Note 10.1 provides opportunity for interaction
 - S Pen is especially useful for Visual Arts classes. S-Pen can produce accurate handwriting.
- 2. Samsung School Solution**
 - Quiz/Poll function is a great way to engage shy and less active students in class. Teachers can also gain instant feedback on the results, making it easy to understand the learning progress of every student.
 - Before having tablets in class, students can only watch videos together in classrooms. Teachers can now share videos with students outside classrooms, having less restraint on the teaching order.

Useful Tips submitted from schools (By alphabetical):

- 1. BTCFS Yeung Yat Lam Memorial School - Samsung Note 10.1(2014)** 較一般平板特別的地方是配備 S Pen，配合其獨特設定，手指觸控將不會阻礙 S Pen 的運作。因此我們看中這個特點，同時使用內置的 SketchBook for Galaxy，讓學生擁有自家的數碼畫簿，創作獨一無二的作品。
- 2. CCC Kei Faat Primary School - 運用平板電腦學習小 Tips:**
部分學生由於首次接觸平板電腦，需要先建立常規，如：
 1. 當老師對大班指示，同學必須要立即停下工作，專心聆聽老師指示。
 2. 盡量著學生不要拿起平板電腦。
 3. 老師需抽時間檢視同學平板電腦中所顯示的畫面是否與教師同步。
 4. 同學有問題可先請教同組成功完成之同學，未能解決才向老師詢問。
 5. 當課堂完結，老師可運用統一關機功能。
- 3. CCC Yen Ching College - 在推行電子學習時，可先選擇初中幾個科目作試點，例如：通識科、科學科、電腦科，這些科目相對其他傳統科目較易找到相關的電子學習教材。**

4. **Christ College** - 老師於備課時預先準備好題目(包括是非題及選擇題)，並於堂上進行小測。為增加學生之間於課堂上的互動及學習氣氛，可以小組(一組一平板)形式進行小測。於計劃初期，由於老師及學生均需熟習 Samsung School Solution 的運作及測試校內網絡的穩定性，故以小組形式使用平板電腦能減少課堂上的混亂。備註：計劃初期，必須先確保課室內的無線網絡接收良好，並建議校內 IT 技術員能於課堂上作即時支援。
5. **Confucian Tai Shing Primary School** - Teachers should set up some rules and regulations and promote the value education about the proper use of the tablets. For example, the rules should be posted in the classroom. Some signal posts could be used for kids to recognize when to start and stop. We should also get students be familiarized with the interface of the e-learning platform frequently used before use. The lesson should also be designed with interactive features.
6. **Cotton Spinners Association Secondary School** - 旅遊與款待科使用三星於地理名勝、世界地圖、景點、時區和氣候區的課題，效果理想。三星於學與教可增加學生的學習興趣和動機，改變學生的學習態度，並可減少課堂紀律問題。
7. **Cumberland Presbyterian Church Yao Dao Primary School** - 我們在中文課堂中運用 Samsung School APP。學生利用此工具一起進行默寫活動，他們都顯得很投入及很積極，明顯對默書不再那麼抗拒，還在下課時不斷問老師何時再默書呢！
8. **HHCKLA Buddhist Ching Kok Secondary School** - 由於過往大部份同學在學習上均處於一個被動的狀態，電子學習令害怕被老師指出錯誤的同學變得主動。利用 Samsung School Solution 的『測驗』功能，透過即時檢視各組同學的答案，加上老師即時回饋，並給予學生引導修正的方向，讓同學學習投入起來。
9. **HKFEW Wong Cho Bau School** - 在開始做電子閱報計劃時，我們瀏覽了幾份有免費網上版的報紙，不過有部分的內容較暴力及色彩，不太適合學生觀看，在這方面，同工可能要多花時間。在閱報時，為了讓學生感到興趣，我們沒有規定學生一定要閱讀港聞，只要求學生不准看娛樂新聞及看影片，因會騷擾其他人。學生普遍都很感興趣，他們對世界各地的新聞較有興趣，佔中和日本火山爆發是他們最感興趣的新聞。在閱報活動後，稍後我校會每一個月出一點簡單的選擇題，跟進學生對時事的認識及對活動的感受。
10. **Ho Lap Primary School (Sponsored by Sik Sik Yuen)** - 在使用 Tablet 課堂教學時，首先要先鎖住桌面的 ICON，指導學生先進入 Samsung School System，加入課堂，老師才能監察學生的 Tablet 畫面；然後有限度地分享其他的功能（包括上網），讓學生參與學習活動。

- 11. Lions Clubs International Ho Tak Sum Primary School** - 本校已安排各級於電腦課中先學習使用平板電腦的基本技巧，並指導學生使用” Samsung e-learning” 的程式。首班課堂的學習過程已拍成短片，讓老師可利用此短片作為教材，讓學生有效地掌握平板電腦的操作，使學生對日後各科的電子學習更得心應手。

- 12. Lok Sin Tong Yu Kan Hing Secondary School** - Use poll and quiz to obtain immediate information on the percentage of students understand the topic just covered. Teachers can use their slide presentation as usual so no additional workload will be levied on teachers.

- 13. Nam Wah Catholic Secondary School** - The topic of one lesson is to investigate the security equipment of IS Lab.
 - (1) Use S-Note Apps to draw out the outline of IS lab.
 - (2) On the drawing, locate the security equipment
 - (3) Scan the QR code to watch the video about the usage of fire blanket etc.
 - (4) Prepare the lesson, upload the video to our video server and prepare the QR code for the webpage of the video.

- 14. Precious Blood Primary School (Wah Fu Estate)** - Students are easily distracted when using the tablets as they may use them to play games or watch videos online. The LOCK SCREEN function can help me draw students' attention as they cannot control their tablets. Also, the ALLCAST function projects my tablet to the screen so that all students can learn the same thing at the same time.

- 15. SKH St. Mary's Church Mok Hing Yiu College** - Our teachers from two different subjects implement Samsung Galaxy tablets in their lessons. We broadcast the teacher's tablet screen to the projector with AllShare Cast and a Samsung dongle. It works without any wire. Teachers are able to walk through the whole classroom to interact with students.

- 16. TWGHs Chow Yin Sum Primary School** - 為減輕科任教師的課堂負擔，科與科之間可進行跨科合作，在資訊科技科的課堂上教授學生使用平板電腦及 Samsung School 系統。科任教師便可專注教學，減省教授平板電腦的時間。教師透過 Samsung School 系統「分享網址」給予學生，省時方便，課堂安排更順暢。

SMART SCHOOL

17. TWGHs Tang Shiu Kin Primary School - 利用互動學習平台，達致良好教學效果。透過 share screen 功能將英語故事及討論問題發送至學生的 tablet。使用 poll and quiz 讓學生先推測故事人物的想法，學生再分組討論，並把推測過程及小組成員的想法寫在 white board 上。老師利用 student monitoring 即時投影出學生 white board 畫面，以 private lesson 作即時回饋，準確提供個人化的學習協助，亦有利全班學習。

Stay tuned for more e-learning tips from October!
